File No. of 1937 General and Revenue Secretariat

Mr. Abdul Hakk has taken possession of the Hebbal Ranges with the proviso that "Possession taken subject to the determination of the reason for the extra extent shown as included in the Hebbal Range over and above the Mysore Govt. Survey map of 1904."

Re: Ibbalur Range area, it is stated that the area demarcated by the Mily. authorities & included in the map prepared by them includes one ~~acre~~ acre of S.No 46, but that the owners ~~have~~ possession has not been disturbed till now. The total area is said to "come to 445.26 acres" in consequence. 445.26 acres is the area given in the Agreement itself, while after careful measurement the Survey Dept. computed it at 445.18 acres. (How ~~to~~ ~~No~~ one acre not left out is not clear) the S.D.O wants action to be taken for acquiring it. A formal reference from the Ds. Com^r. about the Regn may be received.

53) I beg to report for the gracious information of His Highness that the lands on which the Rifle Ranges were located at Hebbal were formally handed back to us by the British Military Authorities on the 20th June 1932, and the Ibalur Rifle Ranges were at the same time formally transferred to their possession.

2. 54) The Military Authorities claim that the actual area of the Hebbal Rifle Ranges, which has been handed back to us, exceeds the figure adopted in the draft agreement (449.46 acres) by about 39 acres, and that they are entitled to compensation for this excess area. There is also a slight discrepancy regarding the exact area of the Ibalur Range. These details will be further investigated and suitable action taken in regard to the adjustment of the discrepancies referred to.

3. 55 It is proposed to hand over the Hebbal lands to the Agricultural Department for the use of the Serum Institute.

they have certainly acquired free from all encumbrances and in this sense Govt can be said to have acquired freehold in the Dhalur lands

(10) As regards Hebbal lands, it is the Military that transfered them to Govt and it is not clear from the papers here what the exact right, title & interest of the Military were in these lands. Moreover since the lands have now been transfered to Govt, the Military cannot apparently be in any way interested to know what rights the Govt have acquired by the transfer.

(10) Even as regards Dhalur lands, though it can be said that Govt acquired the freehold, it does not follow that the acquired Military authorities have the same by transfer from Govt. From The E.E. Bangalore
Sates his proposals in the matter of lowering the Bund of the Belandur Tank.

It is stated that the lowering of the waste weir, would throw out of Cultivation some 400 acres of wet land under the Belandur Tank and involves the payment of a Compensation of about Rs 60000/- to the land owners besides a loss of land revenue to the govt- to the extent of Rs 2000/- every year.

The Ex. Engineer of Bangalore division who was consulted in the matter by the D.E., has suggested the filling up and raising of the portion of the Bund which is now getting submerged to a height of 4 feet at an approximate Cost of Rs 7500/-

Another alternative proposal of the Ex. Engineer is to extend the present range to South West side at a [illegible]

137 Under paragraph 4 of the Agreement regarding shifting of the Rifle Ranges, the British Military authorities have "agreed that the rights to, and the power to store, water in the Bellandur tank included in the Range and situate in Bangalore Taluk and the use of its water for irrigation purposes shall remain with" the Mysore Government.

K

138 In a letter dated the 16th January 1934, the Residency stated that the Headquarters, Madras District, reported that owing to exceptionally heavy rain, the level of the Belandur tank had risen to such an extent as to preclude the use of "D" Range, and that not only was the Markers Gallery of the Range under water for weeks at a time but serious damage was done to the Range by erosion. The Mysore Government were requested to make early arrangements to lower the tank level to the extent of freeing the actual range works from flood water. The limits of the Belandur tank were also asked to be defined.

T.

139 The opinion of the Deputy Commissioner, Bangalore District was called for in the matter. The report now received from him indicates that the lowering of the waste weir to prevent as required by the Mily. damage to the range would throw out of irrigation 400 acres of wet land, necessitating the payment of compensation of about Rs.60,000 to the owners besides an annual loss of Rs.2,000 to Government. After inspecting the spot in company with the Executive Engineer, the Deputy Commissioner recommends the adoption of an alternative & less costly suggestion by the Executive Engineer to raise the height of the land now getting

submerged to a height of 4 feet above the full tank level. This work is estimated to cost Rs.5,500. Some consequential alterations that would be needed to the Markers Gallery would cost a further sum of Rs.2,000, bringing the total cost involved in the proposal to Rs.7,500.

(ii) Under the terms of the agreement we have got the right to the water in the tank, power to store it and use it for irrigation purposes. The Ranges were built in the new area by the Military authorities themselves, with a full knowledge of the local circumstances and the cost of any protective measures that may be adopted at their request will perhaps have to be met by the Military authorities themselves. It is therefore for consideration whether a copy of the report of the Deputy Commissioner with its enclosures may be sent to the Residency commending the suggestions of the Executive Engineer for the consideration of the Military authorities and execution of such works as may be deemed necessary at their own cost.

Flag S (para 4)

(iii) The Deputy Commissioner's report is silent about the request of the Military authorities that the limits of the tank may be defined. It is for orders whether this point need be pursued and a further report called for from the Deputy Commissioner.

CPB 28/11/34) (iv) In the agreement the right to store water in the Tank for irrigation purposes is specifically reserved. The Mysore Govt has paid

a bill to help enable the Indian Army Dept to provide the facilities necessary for using it as a Rifle Range. According to Art 6 of the Agreement the Army Dept has agreed to construct the new Rifle Range & erect at its own cost the other things required.

The height of the waste weir remains the same & it must have been in the knowledge of the Military Dept to what extent the water will spread in the bed if the tank fills. They cannot therefore ask us to lower the waste weir. If the D'range has not been located in a suitable position they will have to shift it or else protect it by earthwork at their own cost. The D.C's report & the suggestions of the Executive Engineer may be forwarded to them.

Sir,

I am directed to acknowledge with thanks the receipt of your letter No.3922/523-31 dated 13th June 1932 and to state that Mr. M. Abdul Hukh, B.A., Civil Officer and Sub Division Officer, Bangalore, has been deputed to attend at the Station Staff Office, Bangalore at 10 A.M. on Monday the 20th June 1932 for the purpose of formally taking over the Hebbal Rifle Range.

I have the honour to be,

Sir,

Your most obedient servant,

Chief Secretary to Govt.

In this connection, I am to invite reference to the area of the Hebbal Rifle Ranges as given in Station Order No. 16545/S dated 11th June 1932, viz, 358.55 acres.

In the previous correspondence on the subject and in the Agreement forwarded with this office letter MRN. No. Pol 100 9 - PP 90-27-141 d. 18th Mar 1932, the area of this land has been assumed to be 449.46 acres as the figure given in the Station order appears to be due to some mistake.

SIR,

With reference to the correspondence ending with your letter No. Pol.1291/P.P.90-27-161, dated the 14th/15th June, 1932, I am directed to say that it appears after consultation with the Military Authorities that the area belonging to the Military at Hebbal is some 39 acres in excess of the 449.46 acres given in the schedule. Should this prove to be the case the Military Authorities are prepared to hand over the whole area on Monday, June 20th and if it should then transpire that there is an excess over 449.46 acres the question of payment by the Mysore Government in adjustment of the excess area will be settled subsequently by negotiation. I am to request that you will signify your approval of this course before the 20th of June.

I have the honour to be,

Subject:- Handing over of the Hebbal Rifle Range to the Mysore Government.

Dear Sir,

With reference to our conversation, yesterday, I am desired to forward herewith copies of the marginally noted correspondence on the above subject. The Military authorities allege that the extent of lands compris within the Hebbal Range is nearly 490 acres, as against 449.46 acres adopted in the agreement. It is therefore necessary to verify the exact area of the land.

1. Letter No.4185/P.P. 90-27-16 dated 15th June 1932 to the Deputy Commissioner, with its enclosures.
2. Station Order dated 13th June 1932.

Mr. Abdul Khalak of the Survey Department may be asked to have the lands remeasured in company with an officer whom the Military authorities are deputing for the purpose and who will meet Mr. Abdul Khalak at 11 A.M. tomorrow near the Rifle Range. Mr. Abdul Hukh, Sub Division Officer, Bangalore, who is to take possession of the lands on Monday may, with advantage, be associated with Mr. Abdul Khalak in connection with the remeasurement of the lands.

Yours sincerely,

Chief Secretary.

Handing over of Hebbal Camp Area

I have the honour to refer to your letter No. 3907/523-1931, dated the 11th June, 1932, enclosing schedules and plans of IBALUR AND HEBBAL Rifle Ranges, and am directed to say that:-

(a) The Military authorities regret they cannot agree to the alteration in the acreage of IBALUR RANGE and Camp sites from 445.26 acres to 445.18 acres.

(b) As regards HEBBAL Range and Camp site; in view of the fact that the land belongs to the Military authorities, all plans and schedules of the land to be handed over have, therefore, already been prepared by them

I regret, therefore, the plans and schedules prepared by the Government of His Highness the Maharaja of Mysore and forwarded under your above quoted letter, are not required and are returned herewith.

Dear Sir,

D PP Cal 21/6/32

With reference to your D.O. letter No.4212 P.P.90-27-166 dated 17th June 1932, I write to say that I issued necessary instructions to Mr. Abdul Khalak, the District Survey Officer, to have the lands of the Hebbal Rifle Range re-measured in company with a Military Officer. I enclose herewith, for information of Gov-ernment, copy of Mr. Khalak's report along with copy of the map showing the points in dispute between the Military authorities and ourselves. Mr. Khalak also reported to me that the Rifle Range area was taken charge of, on behalf of the Mysore Government, by Mr. Hukh yesterday, on the under-standing that the question of the excess area may be settled between the Residency and the Mysore Government later on.

Yours sincerely,

S. Rajagopal

N. Madhava Rao Esq., B.A.,B.L.

Office of the Assistant Superintendent
Mysore Revenue Survey,

No. Dated, Bangalore 20th June 1932.

Reference.- D.O.letter No. 4212/P.P. 70-27-166 dated 17th June 1932, from the Chief Secretary to the Revenue Commissioner in Mysore, Bangalore re: handing over of Hebbal Rifle Range to Mysore Government.

Submitted to the Superintendent, Mysore Revenue Survey, Bangalore

As per orders of the Superintendent I went to Hebbal Rifle Range at 11 A.M. on the 18th instant and met Lt.J.Townsend, Garrison Engineer. Mr. Abdul Hukh, Sub-Division Officer, Bangalore was also with me. We went round the range and saw the boundaries as entered in the Military Plan. The area of the Hebbal Rifle Range as per resurvey conducted in 1904 is 465 Acres and 20 Guntas. From the records available in the office it is seen that this included the lands of 5 villages viz., Hebbal, Bhupasandra and Water-works. These were then separated and made into a separate village known as "ಹು ೦ ಳ್ಳಿ ೦ ಮೈ ಚ್ಛಾನ" (Rifle range). The area now claimed by the British Military Authorities as per plan prepared by them is 489.36 acres or 489 acres and 14 guntas. There is thus a difference of 23 acres and 34 guntas which is in excess of the area recorded in our accounts. This is due to the inclusion of some additional land in the Military Plan, as detailed in the map herein enclosed. It will be seen therefrom that the above 34 acres and 34 guntas including the tankbed of Hebbal and a portion of S.No.3 of Water-works have been included and at the same time about 11 acres have been omitted in their plan. The net excess area claimed by them in respect of this range thus comes to 23 acres and 24 guntas.

Lieutenant J. TOWNSEND, M.E.S., Garrison Engineer, BANGALORE.

Chief Revenue Officer, Mysore State (Representative of the Government of Mysore.

The Board having assembled pursuant to order, proceed to hand over the land referred to above to the Government of His Highness the Maharajah of Mysore.

The original basis of negotiations regarding th handing back of the Rifle Ranges at HEBBAL to the Government of His Highness the Maharajah of Mysore was on the assumption that 450.24 acres was the total extent of the area.

It has now been found that there are 39.12 acres in excess of this amount.

Payment for this excess area will form the subject of negotiations between Headquarters, Madras District and the Secretary to the Hon'ble the Resident in Mysore.

Letter No.B1-479/27-28 dated 20th June 1932 from the Sub Division Officer, Bangalore Sub Division, to the Deputy Commissioner, Bangalore District.

Subject:--

Taking possession of Hebbal Rifle Range and formal handing over of Iblur Rifle Range.

With reference to the letter of the Chief Secretary to Government No.4185/P.P.90-23-160 with its enclosures forwarded to me for needful action I have the honour to state that the Board as constituted by the Station Order No.16545/S dated 11th June 1932 met at 10 A.M., this morning. One member viz., Captain E.M. Ashton, M.E.O., was absent. The agreement was signed by all the Officers present and the formal handing over of the Hebbal Rifle Range to me as representing the Mysore Government and delivery of possession by me of the Iblur Rifle Range also took place.

The extent of Hebbal Rifle Range according to the Military map comes to 489.36 acres while according to the Mysore Government Revenue Survey map of 1904 the extent comes to 465.50 acres. The extent of this Range has been shown only as 358.55 acres in Station Order No.11545/S dated 11th June 1932. In order to verify this discrepancy the Garrison Engineer (Lieutenant Townsend), Mr. Abdul Khalak, the Survey Officer and myself met at the Hebbal Rifle Range as directed by the Chief Secretary in his letter No.4212/P.P.90-23-166 on the 18th instant and found that the main difference in extent is due to additions of land both in the North and South of the Rifle Range. The boundary in the North includes about 16 acres of Hebbal tank bed, and in the South 15 acres of Kharab land of Water Works village. There is also some variation in the Eastern boundary due to the Milit authorities having straightened their boundary line, but in doin so they have given up some portions of the land in one place and added on a portion of Kharab land in another. They were not able to explain how this extra extent of land was included b them in the Rifle Range and they informed me that they have no c record pertaining to this matter in their possession. They seem

rossession taken subject to the determination of the reason for the extra extent shown as included in the Hebbal Range over and above the Mysore Government Survey Map of 1904.

HEBBAL RIFLE RANGES.

With reference to your letter No. 4048, dated the 18th June, 1932, regarding the handing over of the above ranges to the Government of His Highness the Maharaja of Mysore, I have the honour to request that the question of payment for the 39.12 acres, found to be in excess, may be taken up with His Highness's Government on the same basis as the original transactions, e.g., Rs.100/- per acre, as soon as possible.

Captain G. Kirkbride,
Secretary to the Hon'ble the Resident in Mysore.

Subject:- Move of the Rifle Ranges from Hebbal to Ibalur.

With reference to your letter No. 4950/523-31 dated 26th July 1932, forwarding copies of the proceedings, with plans and schedule of a Station Board assembled at Headquarters Madras District, on 20th June 1932, I am directed to state as follows:-

It is stated in the proceedings that the original basis of negotiations regarding the handing back of the Rifle Ranges at Hebbal to this Government was on the assumption that 450.24 acres was the total extent of the Range, that it has now been found that there are 39.12 acres in excess of that area, and that payment for this excess area will form the subject of negotiations between the Military Authorities and the Residency.

In this connection, I am to point out that in 1906-07, the Hebbal Rifle Range was surveyed by the Survey of India and its area was found to be 449.46 acres (vide Captain T. Prior's note enclosed with Major C.T.C. Plowden's letter No. 9818 dated 11th December 1919). As the Military authorities insisted that the Survey of India figure should be taken as the correct area of the Rifle Range it was stated in Mr. Balasundaram Iyer's letter No. Pol. 944, dated 23rd February 1920, to the First Assistant to the Resident, that the Durbar had no objection to adopt that figure provisionally, although, throughout the previous correspondence of the Durbar, the total area had been taken as 303 acres approximately.

3 The question of the actual area of the Hebbal Range cropped up again when negotiations were started a few years ago to shift the Rifle Range to Ibalur. But as it was gathered in the course of the conversations, that a dispute as to the area under the occupation of the Military authorities might protract the negotiations, the Mysore Government accepted the figure given by the Military authorities, although it was considerably in excess of the area as deduced from their own records.

The present agreement was the result of a compromise on various points and among others, the area of the Hebbal Range was taken at 449.46 acres as reported by the Survey of India in 1906-07. If the Military authorities wish to reopen the question and claim payment for another 39 acres, further investigation will have to be made as to how they came into possession of this extra land subsequent to the year 1906-07, or for the matter of that, any land in excess of 303 acres which, according to the old papers, was the area handed over to them by the Durbar. As pointed out in my letter No. Pol. 880 dated 15th February 1932, the Mysore Government were exercising rights of beneficial user over Forest Plantations and other areas included in the Hebbal Range. The extent of such lands will have to be determined if the Military authorities wish to press the issue now raised.

5. It was in order to obviate the necessity for such investigations that the area of the Range was taken at an agreed acreage just as the cost of constructing Military buildings, range targets etc., at Ibalur, in lieu of those existing at Hebbal, was taken at a fixed sum of Rs.1½ lakhs. A re-examination, at this stage, of the figure adopted in the agreement, would in the one case no less than in the other, lead to difficulties, and the Durbar trust that the Hon'ble the Resident will be so good as to persuade the Military authorities to drop the question of payment for the 39 acres in question.

I am to add that the Government of Mysore are agreeable to the area of the Ibalur Range and Camp Sites being taken as 445.26 acres The revised plans and schedules will be made out accordingly.

I have the honour to be,

Sir,

Your most obedient servant,

Chief Secretary to Government.

Handing over of Hebbal Camp Area.

I have the honour to refer to your letter No. 3907/523-1931 dated the 11th June 1932, enclosing schedules and plans of Ibalur and Hebbal Rifle Ranges, and am directed to say that:-

(a) The Military authorities regret they cannot agree to the alteration in the acreage of Ibalur Range and Camp Sites from 445.26 acres to 445.18 acres.

(b) As regards Hebbal Range and Camp site; in view of the fact that the land belongs to the Military authorities, all plans and schedules of the land to be handed over have, therefore, already been prepared by them.

I regret therefore, the plans and schedules prepared by the Goverr ment of His Highness the Maharaja of Mysore, and forwarded under your above quoted letter, are not required and are returned herewith.

Move of the Military Rifle Ranges from Hebbal to Ibalur.

With reference to your letters Nos. 2371/523 & 5618/523, dated the 4th April, and 24th August, 1932, respectively.

2. The signed agreement received with your former quoted letter is returned herewith with the request that the words from "besides" to "Rs.100/- per acre" at the end of clause 2 be deleted.

The deletion of these words is necessary as it has been decided by the Government of India, Army Department, that no claim will now be made from the Mysore Darbar for the 44.10 acres of land at Hebbal handed over to them in excess of that taken over by the Military Authorities in exchange at Ibalur.

489.36 Hebbal area
445.26 Ibalur area
44.10

3. I am also to request that the area of the land at Hebbal, viz., 449.46 acres, as shown in Clause 2 of the agreement, be amended to read "489.36 acres" as shown in the Station Board Proceedings sent to you with these Headquarters letter No. 16545/22/S, dated the 13th July, 1932.

THIS MEMORANDUM OF AGREEMENT made (the seventeenth day of March One Thousand Nine Hundred and Thirty Two) Between the Dewan of Mysore for and on behalf of the Government of His Highness the Maharaja of Mysore (hereinafter called the First Party) of the one part and the Secretary to the Government of India, Army Department, acting for and on behalf of the Secretary of State for India in Council (hereinafter called the Second Party) of the other part;

WHEREBY IT IS AGREED AS FOLLOWS:-

1. The said First and Second Parties hereto are agreeable to the shifting of the Rifle Ranges from Hebbal situate in Bangalore Taluk, Bangalore District, to Ibalur in the same Taluk and District.

2. The First Party having agreed to provide for the Second Party at and near the said village of Ibalur an area of land measuring by admeasurement approximately 445.26 acres and more fully described in the First Schedule and delineated in plan A annexed thereto and deliver the same to the Second Party for use by the Military Authorities as Rifle Ranges and a Camp Site and the Second Party being now in possession of the area of land called the Hebbal Rifle Ranges measuring by admeasurement approximately 449.46 acres situate in the said village of Hebbal and more fully described in the Second Schedule and delineated in plan B annexed thereto and having agreed to deliver the same to the First Party the parties hereto will give and take the one to the other the aforesaid lands at Ibalur and Hebbal and the said First Party will pay to the said Second Party the sum of Rs.1,50,000 (One Lakh and Fifty Thousand) only for enabling the Second Party to provide on the Ibalur Site the facilities required for using it as Rifle Ranges and Camp Site besides the further sum of Rs.420/- (Four Hundred and Twenty only) for 4.20 acres being the difference between the

areas of the lands at Hebbal and Ibalur at the rate of Rs.100/- per acre.

3. The Second Party has agreed to hold the land at Ibalur delivered to it in execution of these presents on similar conditions and terms as the area now held by it at Hebbal in connection with the Hebbal Rifle Ranges.

4. The Second Party has agreed that the rights to, and the power to store water in the Bellandur Tank included in the Range and situate in Bangalore Taluk, Bangalore District and the use of its water for irrigation purposes shall remain with the First Party.

5. The Second Party has agreed to surrender to the First Party the whole area of the existing Rifle Ranges at Hebbal together with all buildings, latrines, cook houses etc., whatsoever thereon on the completion of the project at Ibalur.

6. The Second Party has agreed to construct the new Rifle Ranges on the Ibalur Site and erect on it at its own cost the water-supply plant, latrines, cook houses etc., whatsoever required by it on the Camp Site in replacement of the Ranges and buildings, latrines, cook houses etc., whatsoever now existing on the present Hebbal Rifle Ranges.

7. The Second Party has agreed that the land at Ibalur having been delivered to it for use as Rifle Ranges shall revert to the First Party if the said land ceases to be used as such Rifle Ranges, in which eventuality the sum of Rs.12,176-2-3, paid by the Government of India in the year 1893, for acquiring a portion of the danger zone at Hebbal shall be refunded to the Government of India by the Government of Mysore.

8. The Second Party has agreed that jurisdiction over the

the land delivered at Ibalur shall remain with the First Party.

IN WITNESS WHEREOF the Parties hereto have set their hands and seals the day and year first above written.

Reference Agreement regarding Rifle Ranges at Hebbal and Ibalur.

1. Army Headquarters ask for confirmation that the Mysore Government acquired the freehold in both the Hebbal and Ibalur areas.

2. An extract from Army Headquarters' letter No.9472/18/Q-3, dated the 28th October, 1932, is attached in this connection.

3. I would be glad if confirmation of the A.H.Q. presumption could be obtained from the Mysore Government as early as possible.

To

The Secretary to the Resident.

Sir,

I am directed to acknowledge receipt of your letter No. 2175/523-1931 dated the 9th March 1933 enquiring whether the Mysore Government acquired the freehold in both the Hebbal and Ibalur areas. The term "freehold" has no definite connotation in the system of land-holding which obtains in this part of the country. The Durbar, therefore, feel some doubt as to the nature of the information required by the Army Head Quarters. It is also not clear why any confirmation is now necessary as regards the Hebbal area, since the Military authorities are no longer interested therein.

I am however to state that a major portion of the Ibalur lands transferred to the Military authorities were acquired by Government under the Mysore Land Acquisition Regulation and the rest were Govt Waste lands. The Durbar therefore had at the time of the transfer full ownership over these lands, though their rights now are subject to the terms and conditions laid down in the deed of exchange recently executed.

SIR,

I am directed to refer to the correspondence ending with your letter No.Pol.285/P.P.90-27-206, dated the 14th September 1933, on the subject mentioned above, and to say that Headquarters, Madras District report that owing to exceptionally heavy rain, the level of the Belandur Tank has risen to such an extent as to preclude the use of "D" Range. Not only is the Markers Gallery of the Range under water for weeks at a time, but serious damage is done to the Range by erosion. I am therefore to request that early arrangements may kindly be made to lower the Tank level to the extent of freeing the actual range works from flood water. I am also to request that the limits of the Belandur Tank may kindly be defined.

SIR,

Subject:— Rifle Range - Iblur.

27/4

With reference to your letter No.2499/P.P.90-27-212 dated 23rd January 1934 forwarding a copy of letter from the Residency (in the matter of lowering the level of the Belandur Tank) so as to prevent damage to the range and calling for my opinion in the matter, I have the honour to state that the Amildar Bangalore reported that the lowering of the waste weir by 2 feet would throw 400 acres of wet lands under the tank out of irrigation and the proposal would necessitate the payment of compensation of about Rs.60,000/- to the owners besides involving a loss of assessment to Government of Rs.2,000/- every year. I inspected the place with the Military Authorities. It seemed to me that the purpose would be equally well served by putting up a clay puddle wall suitably turfed beyond the range so as to prevent water getting near the range. I accordingly consulted the Executive Engineer Bangalore Division who has reported that the idea of putting up a jackbund is not feasible as when the tank is full, water will collect inside the jack bund and it cannot be drained off. He suggests that the portion that is now getting submerged may be raised to a height of 4 feet above the full tank level. This work is estimated at Rs.5,500/- and the raising of this area involves alterations to the markers gallery or the range which is estimated to cost Rs.2,000/- so that the total cost of the work comes to Rs.7,500/-.He further states that it is worth considering if the Rifle Range could not be itself be shifted on the South-West side at a cheaper cost. This suggestion also is worth considering. I send herewith copy x of the Executive Engineer's letter and its enclosure.

I have the honour to be,
Sir,

For Deputy Commissioner

Copy of letterNo.2274 dated 6th April 1934 from the Executive Engineer Bangalore Division, to the Deputy Commissioner, Bangalore District.

Rifle Range - Ibiur.

With reference to your D.O.No. C9-2577/33-34, dated 5th March 1934 regarding the above, I have the honour to inform you that the idea of putting a jack bund to prevent water from approaching the range is not feasible, as when the tank is full the water collected inside the jack bund cannot be drained off and the purpose for which the jack bund is put up is not fulfilled.

Instead of a jack bund, I would suggest filling up and raising the front portion that is now getting submerged to a height 4' above the full tank level This work costs approximately Rs.5,500/-(vide rough estimate and sketch enclosed) This raising of the submerged area will necessarily involve alterations to the marker's gallery of range etc., which may cost about Rs.2,000/-. Thus the total cost of the works comes to Rs:7,500/-.and it is worth considering if the Range Rifle could not be extended on the South West side at a cheaper cost.

Sir,

Subject :- Rifle Range - Belandur.

I am directed to invite reference to your letter No. 494 dated 16th January 1934 in the matter of lowering the level of the Belandur tank, to prevent damage to the range works in times of heavy rains, and to forward herewith a copy of the report furnished by the Deputy Commissioner, Bangalore District, in the matter, after consultation with the Executive Engineer. The report shows that the lowering of the waste weir of the tank by two feet would result in throwing 400 acres of wet lands under the tank out of irrigation necessitating payment of compensation of about Rs.60,000 to the owners besides involving a loss of assessment to Government of Rs.2,000 every year. This would be a very expensive measure and would also result in great hardship to the ryots. The cheaper alternative of raising the area that gets submerged at a cost of Rs.7,500 or the shifting of the range itself to the south west side as proposed by the Executive Engineer would appear to meet the needs of the situation and I am to suggest that this may be commended to the military authorities for consideration and taking such action as they may deem fit.

Hag S

In this connection, I am also to state that under Clause 4 of the Agreement relating to the shifting of the Ranges from Hebbal to Ibalur, it is agreed that "the rights to, and the power to store, water in the Bellandur Tank included in the Range and situate in Bangalore Taluk, Bangalore District and the use of its water for irrigation purposes shall remain with the First Party" (Mysore Government). Any protective works that may be considered necessary in view of the existing situation of the Ranges, have in the circumstances to be carried out by the Military authorities at their own cost.

THIS MEMORANDUM OF AGREEMENT made the twenty third day of January One Thousand Nine Hundred and Thirty Three Between the Dewan of Mysore for and on behalf of the Government of His Highness the Maharaja of Mysore (hereinafter called the First Party) of the one part and the Secretary to the Government of India, Army Department, acting for and on behalf of the Secretary of State for India in Council (hereinafter called the Second Party) of the other part;

WHEREBY IT IS AGREED AS FOLLOWS:

1. The said First and Second Parties hereto are agreeable to the shifting of the Rifle Ranges from Hebbal situate in Bangalore Taluk, Bangalore District, to Ibalur in the same Taluk and District.

2. The First Party having agreed to provide for the Second Party at and near the said village of Ibalur an area of land measuring by admeasurement approximately 445.26 acres and more fully described in the First Schedule and delineated in plan A annexed thereto and deliver the same to the Second Party for use by the Military Authorities as Rifle Ranges and a Camp Site and the Second Party being now in possession of the area of land called the Hebbal Rifle Ranges measuring by admeasurement approximately 489.36 acres situate in the said village of Hebbal and more fully described in the Second Schedule and delineated in plan B annexed thereto and having agreed to deliver the same to the First Party the parties hereto will give and take the one to the other the aforesaid lands at Ibalur and Hebbal and the said First Party will pay to the said Second Party the sum of Rs.1,50,000 (One Lakh and Fifty Thousand) only for enabling the Second Party to provide on the Ibalur Site the facilities required for using it as Rifle Ranges and Camp Site.

3. The Second Party has agreed to hold the land at Ibalur delivered to it in execution of these presents on similar conditions and terms as the area now held by it at Hebbal in connection with the Hebbal Rifle Ranges.

4. The Second Party has agreed that the rights to, and the power to store, water in the Bellandur Tank included in the Range and situate in Bangalore Taluk, Bangalore District and the use of its water for irrigation purposes shall remain with the First Party.

5. The Second Party has agreed to surrender to the First Party the whole area of the existing Rifle Ranges at Hebbal together with all buildings, latrines, cook houses etc., whatsoever thereon on the completion of the project at Ibalur.

6. The Second Party has agreed to construct the new Rifle Ranges on the Ibalur Site and erect on it at its own cost the water-supply plant, latrines, cook houses etc., whatsoever required by it on the Camp Site in replacement of the Ranges and buildings, latrines, cook houses etc., whatsoever now existing on the present Hebbal Rifle Ranges.

7. The Second Party has agreed that the land at Ibalur having been delivered to it for use as Rifle Ranges shall revert to the First Party if the said land ceases to be used as such Rifle Ranges, in which eventuality the sum of Rs.12,176-2-3, paid by the Government of India in the year 1893, for acquiring a portion of the danger zone at Hebbal shall be refunded to the Government of India by the Government of Mysore.

8. The Second Party has agreed that jurisdiction over the land delivered at Ibalur shall remain with the First Party.

IN WITNESS WHEREOF the parties hereto have set their hands

and seals the day and year first above written.
